

Christ the King School

Pack 175

August 18, 2008

Dear Future Cub Scouts:

We have an exciting year planned for Christ the King Cub Scout Pack 175 and we would like you to be a part of it. Cub scouts is for all boys, first through fifth grades. Scouts is about learning new things, developing new skills, leadership, citizenship, moral character, fitness, but most of all, scouts is having fun with your friends.

Wednesday, September 3, 6:30 p.m., is our "New Scout Night" held in the school cafeteria. You and your parents are encouraged to come and learn more about Cub Scouts at Christ the King. Scout sign up with scout dues of \$40 for the year will occur on Wednesday night.

Our Scout Dens meet about twice a month and focus on activities and adventures for you and other scouts in your grade. Our Pack Meetings are for families and scouts from every grade and typically meet once a month on the second or third Wednesday. All parents share the meeting responsibilities.

Other group and family activities include Pacers, Indians and Indiana Ice games, circus, Monster Truck Jams and special events for scouts where you can enjoy BB shooting, archery, slingshots, race pinewood derby cars, earn belt loop awards and many other fun activities. Summer Day Camps and overnight camps for the older scouts are outstanding and a yearly highlight. Christ the King also hosts its own Pinewood Derby Race each March which is a spectacle for the whole family! Scouts is a family adventure and your parents, brothers and sisters are always welcome.

We hope to see you on September 3!

Jim Kacius
Cubmaster, Pack 175
