Tigers (Den 2) 2009/2010 Calendar

Dear Parents -

Welcome to Tiger Cub Scouts Den #2. We are looking forward to some great times with these wonderful boys! Thank you in advance for all your work with us, we couldn't do it without your help.

You are more than welcome to work on electives, belt loops and/or religious awards at home, just let us know when they are completed. We have tried to list on the schedule the ones we will be doing as a den but we may incorporate more time pending. Please remember to contact us when you have completed an achievement, elective or another award. This will help us to make sure your Scout gets the correct badges during the pack meetings. As you go through activities with your Scout at home, please pay special attention to the Character Connection (explained on pages 22 – 23 of the Tiger Cub Handbook) part with your Scout.

We have attached a schedule for the year. Everything up until the Blue and Gold Banquet in February is pretty solid because we need to get all of our Achievements done before then. After that, we will have a better idea of what we would like to accomplish.

Any item in **red** is something we will be doing as a den.

Any item in **blue** is something we will be doing with our pack.

Anything in **bold black** is something offered as the Circuit of Fun Activities and you are welcome to attend with just your Scout or the whole family (for the most part).

The details of **pack** and **Circuit of Fun Activities** are listed on the pack website (www.cksscouts.com). There is one event in the Circuit of Fun Activities that we would like to attend as a den in order to satisfy achievement 3G. If you cannot attend the Pacers game with our den in November, you will need to make sure you attend a professional sporting event with your Scout and teach him the rules of the game to satisfy achievement 3G before February. The Circuit of Fun Activities offers an Ice game in December that you could attend.

We are asking that you sign up for one or more den activities (denoted with empty boxes under the "Parent Responsible" column). You could help out with a Den Meeting or a Go See It or the Pacer Game. Kathy & Beth will be able to help out with whatever you need. We have put in suggestions but if you think of something else to satisfy the particular Achievement listed, we can talk about it. We are full of ideas if you need help!

There are even some unplanned Den Meetings and/or Go See Its in the spring needing to be planned. Possible ideas: Visit a Dentist Office (Jodi Bruce?), Tour Marsh, Traders Point Organic Farm, My Body program at Ruth Lilly, Environmental theme (Marion College Eco Lab, South Side Landfill) or a Faith Filled them.

Don't hesitate to call us if you have any questions!
